

Asteria AI Systems Commercial Proposal

Pricing for 2,000 Enterprise Users

Organization: Northstar Financial Services (NFS)

Classification: INTERNAL - TRAINING

Effective date: September 2026

1. Subscription

Enterprise plan: EUR 38 per user/month for 2,000 named users. Annual subscription: EUR 912,000.

2. Enterprise Plus

Enterprise Plus security and governance add-on: EUR 9 per user/month. Annual add-on: EUR 216,000. Includes 7-day retention, customer-managed keys and enhanced audit export.

3. Implementation

One-time implementation services: EUR 85,000.

4. Premium support

Optional premium support: EUR 60,000/year.

5. Year-one totals

Base Enterprise + implementation = EUR 997,000. Enterprise Plus + implementation = EUR 1,213,000. With premium support, add EUR 60,000.

6. Commercial terms

Pricing assumes a 12-month commitment. A 7% subscription discount is offered for a 36-month prepaid agreement.

7. Procurement implication

The proposal exceeds NFS's EUR 100,000 approval threshold and therefore requires Technology Investment Committee approval in addition to Business, Procurement and Finance approvals.
