

Vendor Beta - Historical Assessment

Prior NFS Vendor Risk Record

Organization: Northstar Financial Services (NFS)

Classification: INTERNAL - TRAINING

Effective date: September 2026

Summary

External AI assistant assessed in 2026. Overall risk: HIGH. Decision: REJECT.

Key findings

Vendor retained Confidential prompts for 90 days and reserved the right to use customer content to improve models. No enterprise opt-out was available.

Lesson learned

The assessment was rejected because mandatory AI data-use and retention requirements could not be met.
